Merrick, Ellie Kate, C.W. & Lachlan*

## STAUFFER RANCHES

It is with great pride we welcome our industry friends to our annual bull sale!

Each year brings the anticipation of the new genetics on offer in our program. We accept the responsibility as seedstock producers to continue to search and acquire the best possible genetics for our ranch environment and yours.

Cattle with forageability, proper structure, eye appeal, length of body, ability to move out and travel well and

having a strong maternal base is what we strive for in this offering.

We have a tremendous selection of bulls from Rush Lake, Old Post, Density, and Fort Rock. These are our four main sire groups bred with uniformity and depth. On offer is a select group of calving ease bulls as well as some high performance bulls.

As a first, we did some carcass evaluation on our bulls as noted on Page #3.

I look forward to any inquiries prior to the sale.

Please join us for a steak and social time following the sale.

Yours truly,

Stacey C. Stauffer - Stauffer Ranches

# Thank You, Kennedy Family!

Dean & Tammy Kennedy

Logan, Jayden, Olivia Lee, Amy & Matthew

Many thanks to Dean and Tammy and their family for their dedication and commitment to being a part of our program and the Angus breed.

Many good times and ideas were shared, Dean and Tammy's input was greatly appreciated!

We all enjoy the cattle business and both of our ranches will continue on in their own direction.

## Western Work

*"More than just tack - It's a work of art!"*

In previous sales John Loree and Ralph Nelson have brought together some tremendous western craftsmanship. They enjoy the heritage of our business and are a real asset with the quality gear and art they create.

They are, indeed, a pair of interesting gentlemen to visit with and we enjoy having them part of our day!

John Loree – Nanton, Alberta  
403.646.5570 or 403.603.8772

Ralph Nelson – High River, Alberta  
403.652.0601

Ralph Nelson & John Loree displaying some of their craftsmanship

## Sale Site

FORT MACLEOD AUCTION  
(Southern Alberta Livestock Exchange)  
Junction of Hwy. #2 & Hwy. #3

Sale Date: FEBRUARY 11, 2016  
Thursday • 1:00 P.M.

### DELIVERY OF SALE BULLS

Stauffer Ranches will provide delivery on your bulls the following days shortly after the sale.

Being that we have to remove the bulls from Fort Macleod Sales Yard in a safe and timely matter, where possible to bring a trailer to assist in this would be appreciated!

## “Give Me A Call”

Jim Nugent needs no introduction in the bull sale business. We are very pleased to have Jim at our sale to be a sale representative for those who may not be able to attend.

Jim is not here to sell you bulls, he wants to help you buy the ones you want.

*“Need a good bull, can’t make the sale?  
Give me a call!”*

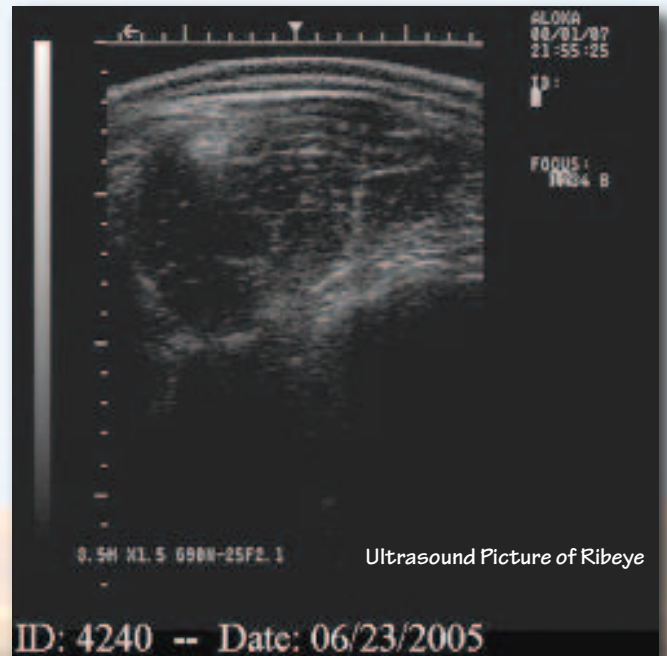

**1-204-841-0113**

## Ultrasound Results

In December of ‘15, Windy Ridge Ultrasound (Rod Wendorff), did a carcass evaluation for our current sale bulls that will be on offer on February 11, 2016.

As many of you may be aware, upon weaning our bulls are growing their first winter to gain 2.5 – 3.0 lbs/day. May 1 to October 1 they run on primarily native grass traveling the coulees here on the ranch. After the fall gather they go onto the developmental ration until sale time. These bulls were on feed for approximately 70 days prior to the ultrasound.

The results generated and recorded were very rewarding to see. On average the bulls had a “*Weight Adjusted Ribeye*” of 1 square inch per one hundred pounds. In other words, an 1800 lb. bull would yield an 18 inch ribeye. Furthermore, the most satisfying result was the marbling score. Our group of bulls, on average, scored 5.46 for marbling (between 5 – 6 is an AAA).

*“Based upon the ultrasound results of Stauffer Ranches sale bulls I can see that these bulls will sire progeny that should have no problem going CAB. Stacey has been adding proven high carcass quality bulls to his breeding pen and is now reaping the rewards of being able to offer to you this exceptional group of bulls. It is always nice to see bulls that can produce these high quality carcasses on more of a growing ration than a finishing ration. With carcass qualities being more heritable than birth weights, weaning weights or yearling weights, you can be confident that these bulls will sire calves that will be in great demand by those looking for high marbling, high yielding cattle.” - Rod Wendorff, Windy Ridge Ultrasound Inc., December 2015.*

We continue to strive to raise the kind of cattle that make the Angus breed famous – mothering ability, lots of vigor at birth, great conformation on feet, legs and udders, as well as the feedlot traits widely accepted from gain to feed conversion to carcass traits.

Looking at our program as a whole, not as individuals, you’ll find we provide a lot of these traits in a balanced approach.

# Herd Bulls

*In our program, we feel it to be very important to run our herd bulls with a large group of cows. We do no E.T. work and have done very limited A.I. work.*

**A**

**A**

**WIWA CREEK RUSH LAKE 71'12**

*The breeding value of Rush Lake here at our ranch is remarkable. His calf crops continue to get stronger exhibiting those traits that are highly sought after—great hair coats, super structure, calving ease & performance. We look forward to his first daughters calving this spring!*

**B**

**B**

**SAV004 DENSITY 4536**

*This bull needs little introduction in the Angus breed. His females are sought after for their maternal value the Angus breed is known for. The sons in this sale will pass on those traits as well!*

Being able to travel and settle a lot of cows naturally is a benefit to our program as well as to our customers'.

# Herd Bulls

C

**SFL FORT ROCK 11F (AMD)**

The sons from the original Fort Rock bloodlines mature into real power houses for meat & performance and as structurally sound as any cattle you will find. Look at this year's offering!

D

**LLB 878 OLD POST**

Used as an A.I. sire in the spring of 2013, sold for \$40,000 in the LLB Sale where he was along side of his beautiful Net Worth mother.

# New Sires at Stauffer Ranches

## RAFTER S CHINOOK LAKE 241B

*A real standout Rush Lake son with lots of breeding and style in a very complete package.*

*We look forward to calves from 241B in the spring of 2016.*

*A real Sale Feature!*

Rafter S Chinook Lake 241B

SAV Hilite 4088

## SAV HILITE 4088

*An international son we invested in from SAV. He brings lots of performance and is backed maternally by the Blackcap May family.*

*We look forward to getting calves from this young sire in the spring of 2016.*

## RAFTER S DENSITY 72B

*A real meat bull – huge ribeye, easy fleshing son of Density out of a top 77S daughter.*

*We look forward to his offspring as well.*

*Top Sale Feature!*

Rafter S Density 72B

Rafter S Mountain Rush 36B

## RAFTER S MOUNTAIN RUSH 36B

*We used this top-notch Rush Lake son on a group of 35 heifers. He is out of a high producing "4011" daughter.*

*Top Sale Feature!*

# *Rush Lake* Heading to Spivey Farms, Illinois!

Wiwa Creek Rush Lake 71'12

“**Rush Lake**” will have a lasting impact here at Stauffer Ranches and will carry on his legacy through the production of his daughters. His style, presence and great breeding ability was truly remarkable. “**Rush Lake**” will continue to be represented with his outstanding progeny in this sale, our 2017 sale and 2018 sale. Your largest source of his progeny is here at Stauffer Ranches.

We are very pleased to have “**Rush Lake**” head south to Spivey Farms in Illinois to continue his contribution with the same great impact as he has here at our ranch.

We would like to thank these progressive breeders for their investment in Rush Lake Semen –

*Sheidaghan Angus* (Maple Creek, Saskatchewan)

*Bar 4A Cattle Co.* (Laglace, Alberta)

*Arda Farms* (Acme, Alberta)

*Lief Brost* (Piapot, Saskatchewan)

*Diamond T* (Didsbury, Alberta)

*Lane Willms – Pebble Ridge Stock Farm* (Rush Lake, Saskatchewan)

# Terms & Conditions

**CATTLE INSPECTION:** All carry permanent identity tags corresponding to Sale Lot Numbers. All shall be available for inspection prior to sale.

**ALL CATTLE ARE SOLD:** Subject to such tests as required for export under regulations of the Health of Animals Branch, Department of Agriculture for Canada - those corresponding to Bureau of Animal Industry requirements.

**BREEDING GUARANTEE:** All cattle are sound & right and sell with a responsible breeder guarantee of satisfaction. In the event of any unlikely dispute, the regular terms and conditions, standard with the Canadian Aberdeen Angus Association shall apply.

**INSURANCE:** Ownership risk to purchaser commences when the Auctioneer's hammer falls. A representative from Pincher Creek Agencies will be available to look after your insurance needs on Sale Day and we strongly request you participate in one form or another to hopefully avoid any unforeseeable mishaps.

**STAUFFER RANCHES RESERVES THE RIGHT** to collect semen off any bull in the sale at their expense and the buyer's convenience.

**TERMS OF SALE:** Are cash or cheque at par, payable to Clerks of the Sale on Sale Day. U.S. Funds will be accepted at the current rate of exchange. No release will be given until satisfactory settlement has been made. We reserve the right to withhold animals from shipment for whom payments have not been received prior to departure times.

**ALL PERSONS** who attend the Sale do so at their own risk, and the Owners and Sale Staff assume no liability, legal or otherwise, for property loss or for any accidents that may occur.

**ANNOUNCEMENTS:** Errors discovered in the catalogue will be corrected by announcements from the auction stand at sale time and such corrections will take precedence over the printed material in the catalogue.

**DELIVERY OF SALE BULLS:** Immediately following the sale, Stauffer Ranches will provide free delivery to your ranch, up to 250 miles, and to central sale barn locations after that. With these bulls coming of two years of age, we fully expect them to adapt comfortably to your herd bull battery without too much additional care.

We appreciate the support of the  
Southern Alberta Livestock  
Exchange in Fort Macleod.

# Kehler Stauffer Water Endowment Fund

KEHLER STAUFFER

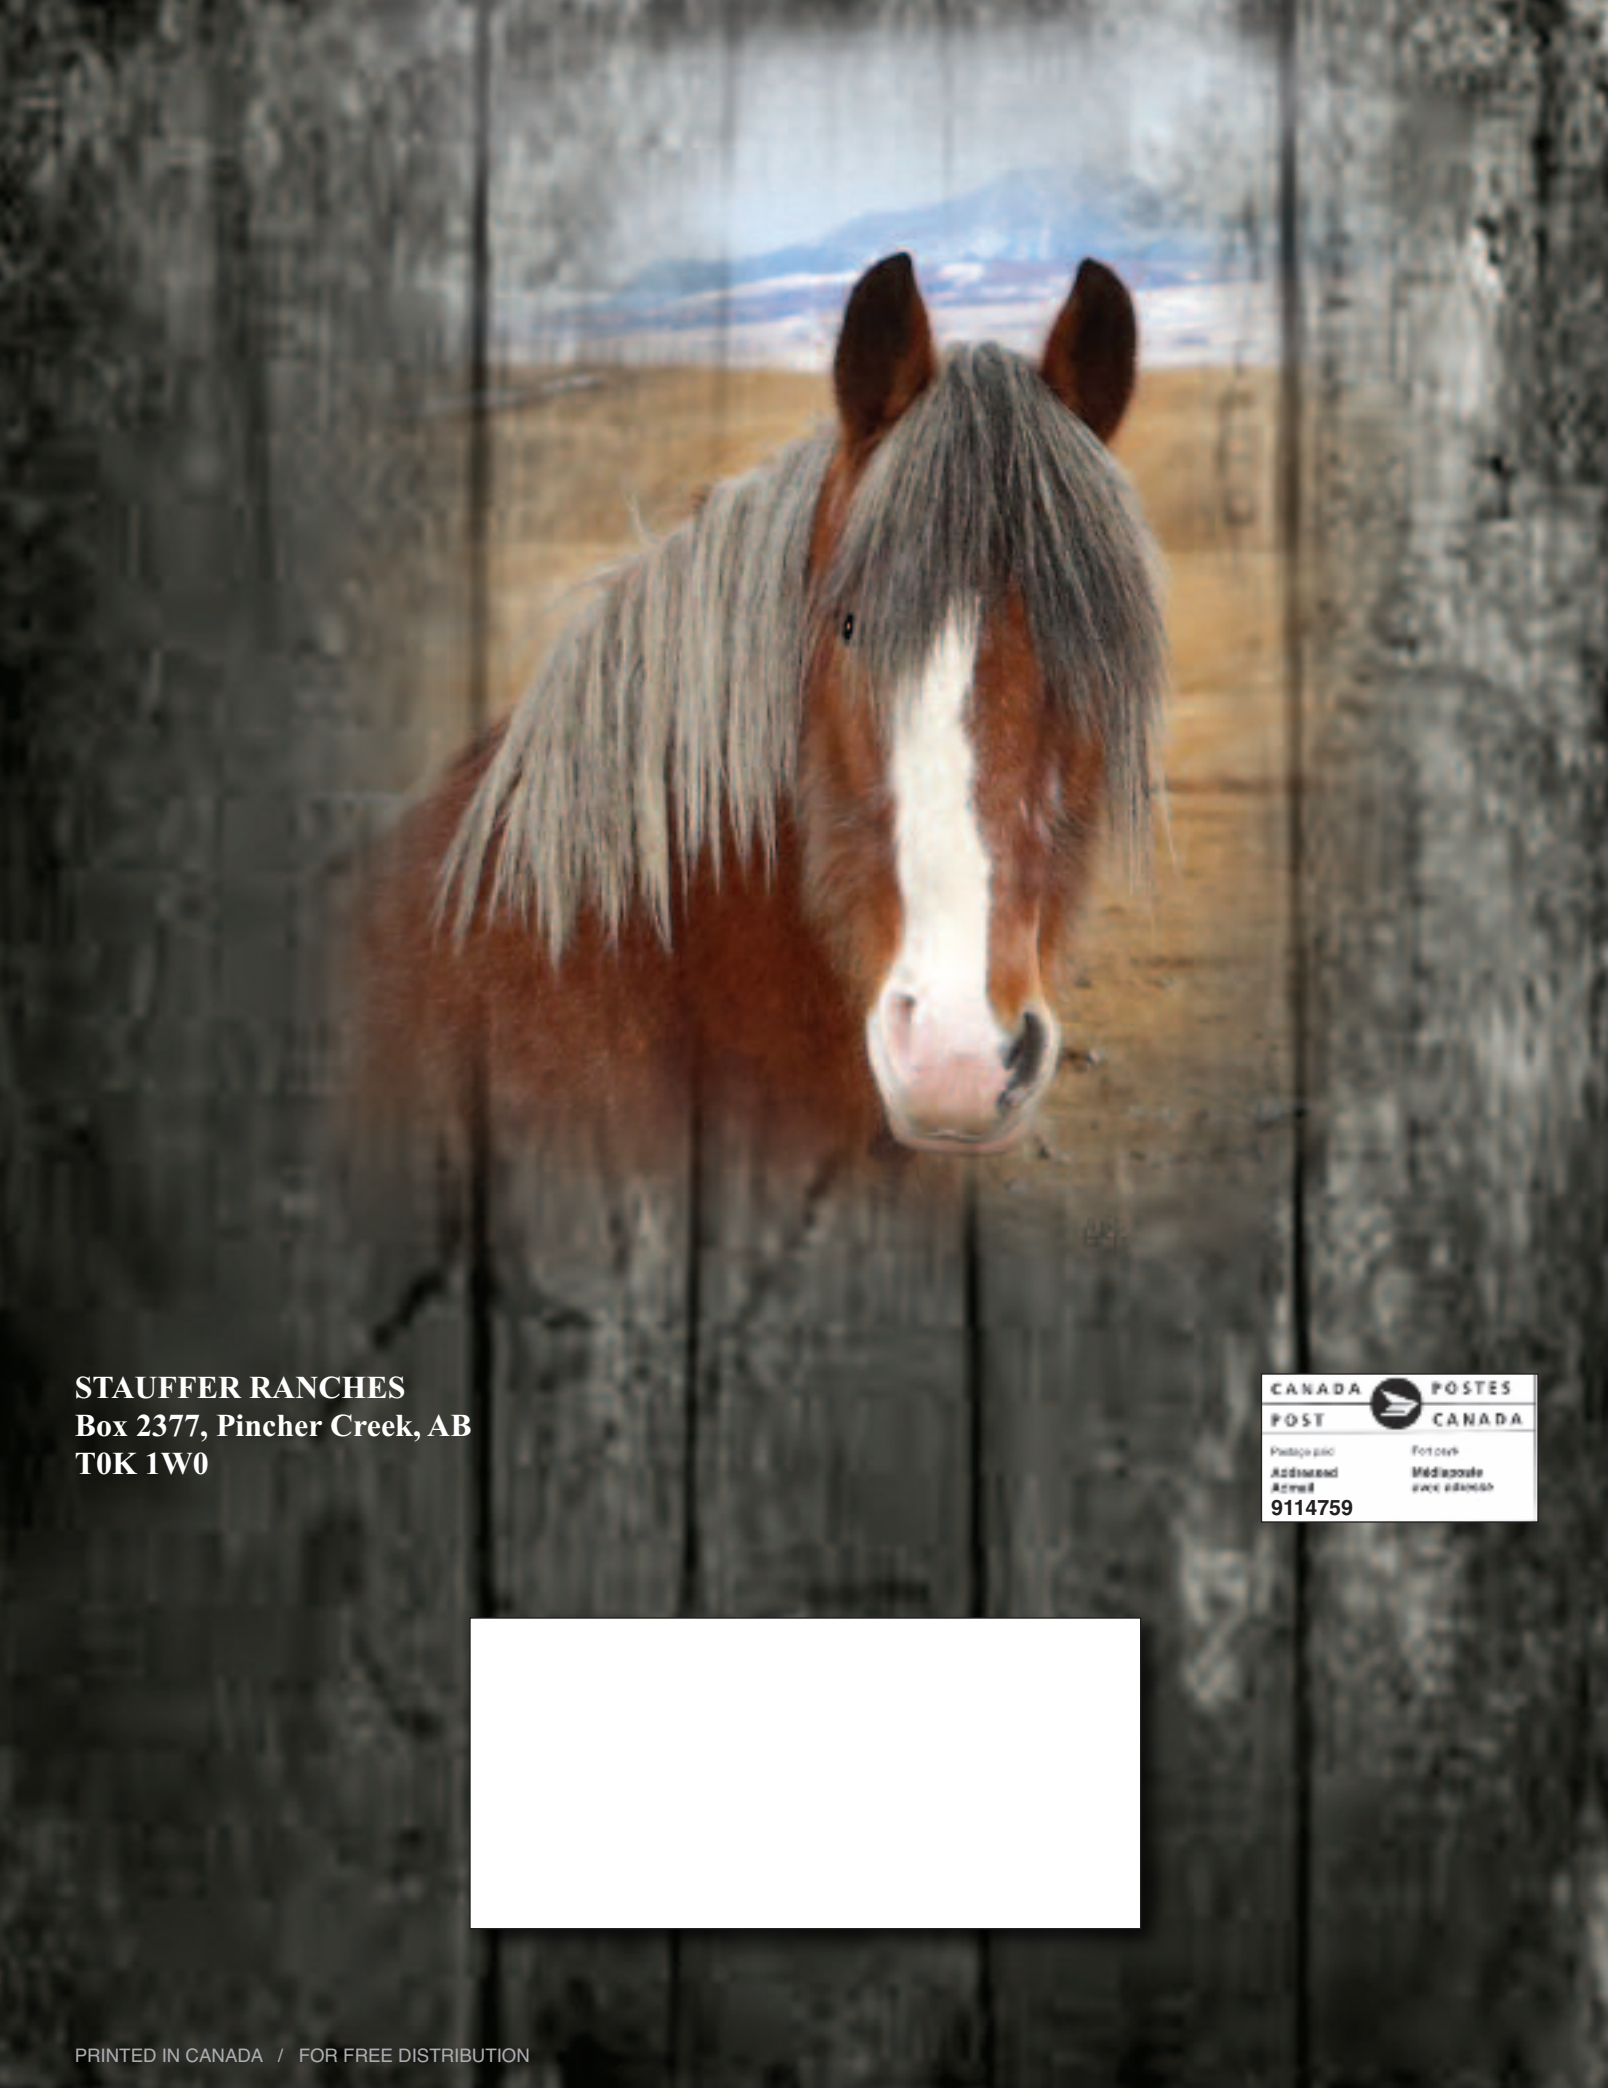

## “KEHLER STAUFFER WATER ENDOWMENT FUND”

In the spring of 2015 we set up the “Kehler Stauffer Water Endowment Fund” which will be managed by the “Community Foundation of Lethbridge and Southwestern Alberta”. The sole beneficiary, initially, will be the Alberta Farm Safety Center in Raymond, Alberta, specifically geared towards their Grade Two Water Awareness Program.

The Farm Safety Centre reaches out to over 300 public schools and 150 Colony Schools. Investing in our children now is a wise investment in the future. Influencing their personal attitudes and actions as they grow and mature will pay significant dividends as they move forward and become our decision makers of tomorrow.

Further inquiries may be directed to George Hall, Executive Director, Community Foundation of Lethbridge and Southwestern Alberta.
