TWO YEAR OLD BLACK ANGUS BULL SALE

THURSDAY • 1 pm
FEBRUARY 7 2019

SOUTHERN ALBERTA LIVESTOCK EXCHANGE
S.A.L.E. FORT MACLEOD, ALBERTA

Welcome to

The Stauffer Family -
(l to r) Michel, Merrick, Ellie, CW, Lachlan, and Stacey

†Kehler

Welcome to our 16th Annual Sale! We are very excited about this year's offering and are confident that they are the right kind for our industry. We sincerely appreciate all the positive feedback from our many long term customers.

Our focus on performance, structure and maternal traits remains a top priority. Our cowherd must have the ability to raise heavy calves, be fertile and easy fleshing.

Our bulls are developed in a manner for your long term benefit. Their first summer as yearlings they graze the coulees and hills on the ranch from May 'til mid October. The exercise they get and the rough and tumble environment they are in is very positive on these yearling bulls. They are very much forage based in their development. From mid October until sale day the bulls receive a chopped hay, silage and energy based diet.

The breeding ability to cover a large number of cows is something we expect you can count on when investing in our two year old program.

The 2019 Sale offering is loaded with quality from high performance, maternal strength and calving ease genetics.

Five main sire groups represent the bulls on offer in volume allowing you to invest in many 1/2 and 3/4 brothers.

We value your appraisal of our genetics on February 7th. If we can be of assistance in any way, please do not hesitate to contact us prior to Sale Day.

*Sincerely,
Stacey Stauffer*

MALE IMP 4088B FEBRUARY 21 2014 #1878711

S A V HILITE 4088

Hilite was one of the high selling International sons when we purchased him at \$54,000 in 2015. He carries a ton of muscle, lots of bone and a great hair coat. Hilite is an extremely easy fleshing herd bull and has a very gentle, docile temperament. His first daughters were in production this past summer, had nice, neat udders and weaned heavy calves. We really look forward to calving more heifers this spring from Hilite as they are going to make deep, broody Angus females.

WIWA CREEK RUSH LAKE 71'12

Rush Lake was the high selling bull calf at Agrbition in Regina at \$73,000. His influence is now shown in the production of his females. The two lead off bulls are out of own daughters of Rush Lake crossed with Hilite. His females are very attractive, have nice tight udders, really maintain their body condition well and bring home heavy calves. His influence will carry on in our program for many years to come.

SAV STERLING 6067

Sterling was one of the top selling Cutting Edge sons at Schaff Angus Valley. Our 2020 sale will feature the first outstanding crop of his influence. They display lots of eye appeal, are extra long, deep bodied, and will have powerful performance.

Sterling's mother, a full sister to Resource, is moderate framed, deep bodied, has a beautiful udder and packs a lot of maternal punch!

MALE SLD 308D FEBRUARY 17 2016 #1943043
DAY BY DAY WARRIOR 308D

Warrior was the high selling bull from the annual Short Grass Bull Sale in 2017. He is stout, full of meat and really maintains his body condition during breeding season. He has sired an extremely attractive group of progeny that should be very performance oriented.

We look forward to his first offering in 2010.

RAFTER S 360 168E
 BW: 83 lbs. AOD: 6 Adj 205D Wt: 701 lbs.

We selected 360 for the maternal strength and power in his pedigree. The Lass cow family anchored by Aberlynn Lass 10'93 identifies a lot of the Angus traits so highly sought after today – longevity, performance and spot-on perfect structure.

360 was used on a select group of females this past summer, many of them being Hilite daughters. We look forward to his progeny arriving this spring!
