WELCOME!!

We sincerely welcome your appraisal of our bull sale offering February 11th, 2021 in Fort MacLeod. We value the friendships and the long-term trust many have placed in our breeding program, and we do not take it for granted! Your success drives our determination to constantly source the best genetics possible as represented in this sale.

New this year, we are offering the option to bid on the D.L.M.S. website. Due to some of the restrictions that may be in effect, we encourage your visit to our ranch in Pincher Creek to view our bulls on offer prior to the sale.

New features this year are 15 sons from our ranch-raised Dakota 80E, and 10 sons from SAV President & Raindance. The strength of this selection is further reinforced by top prospects from Sterling 6067 (14 sons), Warrior (14 sons), and Hilite 4088 (8 sons and grandsons).

Our breeding program represents a close selection of herd sire prospects raised right — they are sound, athletic, and muscular. They have been developed slowly and sensibly for increased longevity and we are very proud of the maternal cowherd they come from.

Ultimately, when building your cowherd for consistency and for maximizing top production, selecting the best quality herd sires will have the biggest impact. Cowherds with a strong breeding program are the ones topping the market.

Please plan to be with us in Fort Macleod, February 11th, 2021 for our annual sale. Once again, D.L.M.S. Marketing will be available for those unable to attend.

Looking forward to seeing you sale day,
Stacey C. Stauffer

Dakota 80E has seen his third year of heavy use as he can really cover the cows, an important trait all producers can use. He has tremendous length, bone and walks on a very sound foot.

This year's offering from Dakota has lots of style, performance and maternal value. His dam, 3P, raised 12 calves averaging a 205D Wt of 697 lbs. including two sons used in herd.

Dakota's daughters will calve in the spring and show all the sound qualities of 3P.

This past spring we calved the first set of daughters from Sterling and what an impressive group they were. All had beautiful udders, level with well placed teats and raised heavy calves.

His bulls on offer in this sale in February will certainly impress those searching for muscle, length and bone.

Another consistent group of bulls sired by Warrior 308D. They are stout made, packed with performance, muscle and exhibit the ability to cover a lot of cows.

Some of the top weaning bulls in the sale are Warrior's. His daughters had excellent udder placement and raised heavy calves. We look forward to calving more of Warrior's daughters this spring.

Last November Bob Prestage was inducted into the Canadian Agricultural Hall of Fame. It has been a real honor to know Bob as a real ambassador to the Angus breed and as a friend.

Some of the first females we purchased were from Wicklow Angus and many of our pedigrees still carry the Wicklow prefix.

Congratulations to Bob and his family on this great honor!

Stacey & Michel and family

It takes a tremendous amount of foresight, perseverance and dedication to be able to host a 50th Anniversary Sale! The Mackenzies became the first established Red Angus breeders in Canada in 1962 and continued a long history of success and dedication hosting this 50th Anniversary Sale in 2020!

We congratulate Bryan and Sherry and Mark and Edna and their families for their success and commitment to the Red Angus breed and for where it is today!

Kehler Stauffer Water Safety Endowment Fund

Each and every year the Kehler Stauffer Water Safety Endowment Fund proudly supports the water safety curriculum taught in schools. There is a wide distribution of this instruction including many schools, colonies and communities. The feed back has been tremendously gratifying to hear and hopefully having a lasting impact on our youth.

Gifts to this fund are gratefully accepted from individuals, families, businesses, or corporate donors, and support the continued water safety education of youth throughout Southwestern Alberta.
